Mike,

Thank you so much for all that you did at our wedding. Brian and I were very happy at the services that you provided. Everybody there loved how you worked. We went to this wedding this past weekend and compared to you he was barely a 1 on a scale of 100. We could understand you, you played a variety of music, and you were an awesome emcee. I was glad that we had you, and after the last wedding you really made Brian happy because he had nothing to compare you to. Thank you so much for everything you did.

Sincerely,

Brian & Joanna Anderson

Dear Mike,

You did it again! You made the party complete and I appreciate all your energy and efforts. Believe it or not the day wouldn't have been the same with you! You needed to be there to make the day's event even more special. Danielle had her heart set on having "YOU" for "her" party there since Michael's Bar Mitzvah!!! She had a blast and her friends were calling saying; "I've never had so much fun in my life". I guess you are stuck with me boasting about you for another few years!

The Feldheim's think you are terrific and "such a mensch"

Congratulations on a job well done at Ryan's party last night. As you know, throwing a bar mitzvah is a labor of love, and it made it all worthwhile when Ryan looked at me at the end of the night and said, "It was GREAT!" We heard nothing but wonderful things from guests at the party. Everyone thought the mood was fun and festive, informal, and

centered on Ryan. That was just what we aimed for, and all of that was driven by your show. You were right on target.

We also had many compliments on the montage, which was creative and well-done.

Thank you and your crew for all your hard work. Can't wait to see the pictures!

Mike,
My mother, who lives in Carrollton, recently forwarded an article that was published about your company in the Dallas Morning News JULY 12, 2006.

In June 2003, you were our DJ for our reception at the Tribute Golf Course in The Colony. To this day, when we travel from Houston to Carrollton to see family members, we have people say how much they enjoyed our reception. You had people that claimed they could not dance, dancing all night long. You quickly determined which types of songs would work best for the crowd. We just wanted to say thank you for making our reception the best! And I am glad Dallas Morning news printed that article about your business. We wish you much success in life.

Sincerely,
Lewis and Carrie Boatner June 14, 2003

Mike,
Can't thank you enough - you are such a fabulous dj, and you had much to do with the fact that everybody had such a great time at our son's Bar Mitzvah party. Between the music, the games, the buttons and the video montage, we were thrilled with everything.

Mikey:

I want to say a heartfelt "thank you" for doing such a great job at my kids' B'nai Mitzvah. As I mentioned to you, the primary thing of concern to Richard and Coco from the very beginning was THE DJ, and since they had no experience with you I'm confident that they had some anxiety. Well, no more. My children thought the the PHP party was "awsome", not the least because of how you kept things moving and your selection of songs. Many of my kids' friends (and some of the parents) reported that they thought this was the best party they had ever been to.

Anyway, I have been derilict in getting this note off to you, and I feel better now that I have done so.

Thanks, again.

Mike,

You did a fabulous job and you and your dancer were a hit with the kids and adults. Everyone was happy (including my not-so-social son, Lane) and enjoyed rockin' on the floor and on the table. As soon as I get a date for my son's bar mitzvah - you're hired! It's five years away, so I hope you're still working in the biz! :)

Thank you!

Mikey B,

YOU ARE FANTASTIC!!! You were such an important reason why our celebration was such a fantastic day for our daughter and our family (and friends!). Thank you for all of your considerate touches, including our middle daughter's birthday celebration, being patient with our cousin and his "force be with you" request, reading the crowd and providing just the right mix of games and dancing and joy and celebrating and fun. I loved the circle towards the end where everyone could speak to Zoë, and I just wish the day could have lasted forever, and that I could have been experiencing each moment, everywhere!
